

Bitcoin – the short version

Chris Swan

@cpswan

The big hype – was last year

Currency – it's just numbers

New bitcoins made by mining

The mining arms race

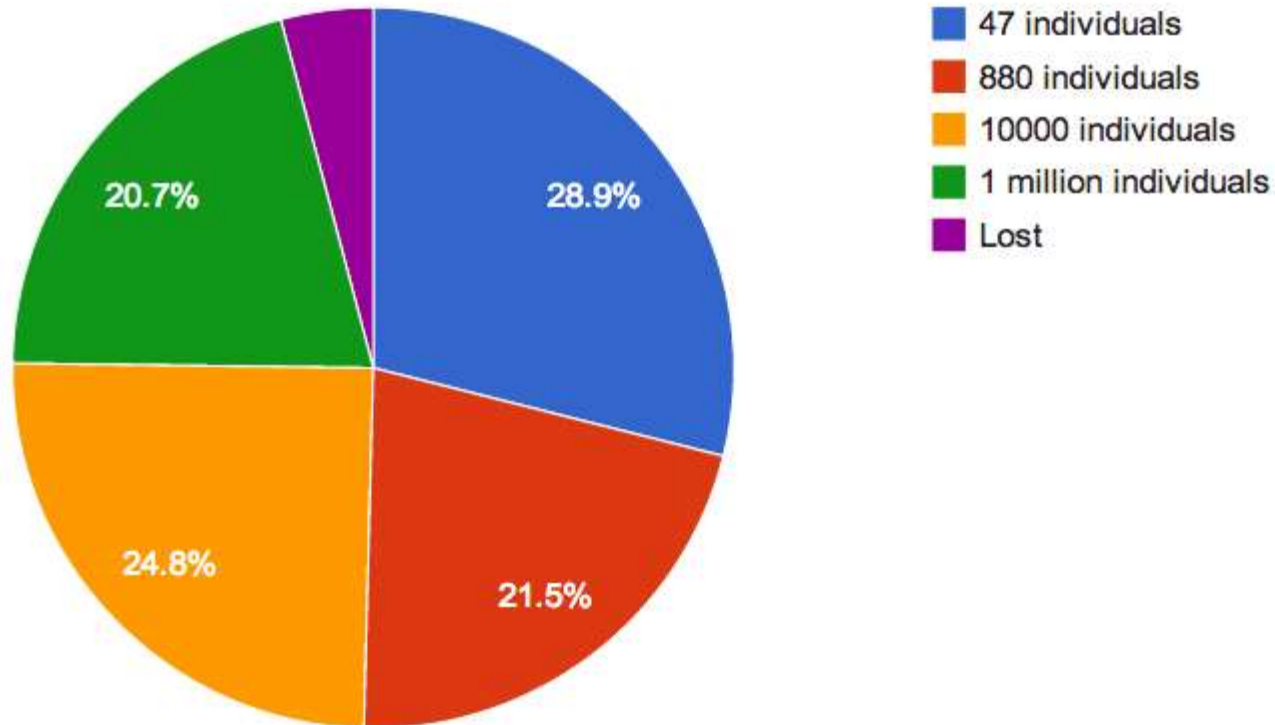

At scale

Glory days are gone already

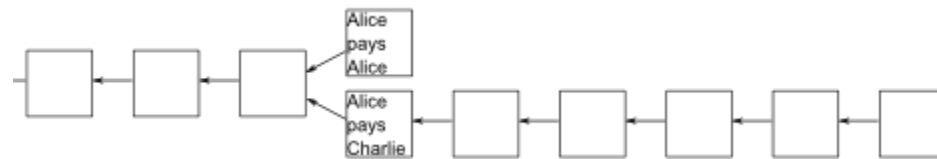

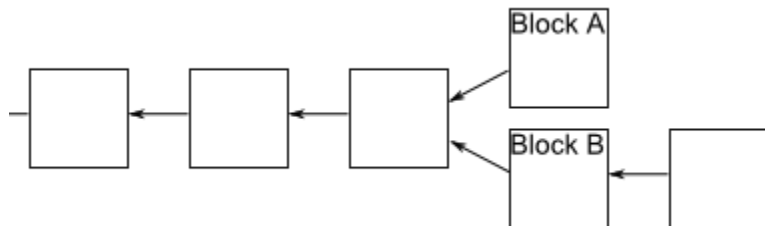

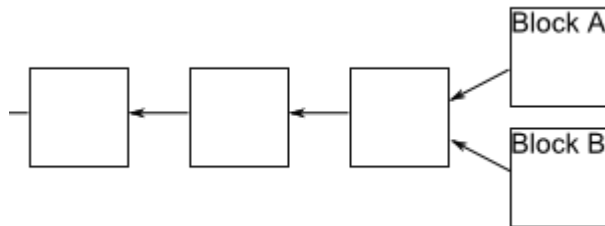

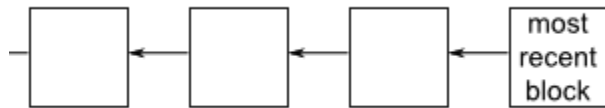

Slices Of The 12 Million Bitcoin Pie

All that work goes into the blockchain

Truth by consensus

With thanks to
Michael Nielsen:

‘How the Bitcoin
protocol actually
works’

is.gd/htbpaw

The Bitcoin wallet is just an app for the blockchain
